Visitors in the Polling place

VA Code §24.2-604.4 & 604.5, §24.2-655

Authorized Representatives

- AKA Observers AKA Poll Watchers
- Important part of the process
- Can observe setup, voting, and end of day

1 per nonpartisan candidate or party during setup

3 or # of check-in stations per nonpartisan candidate or party during voting, whichever is bigger

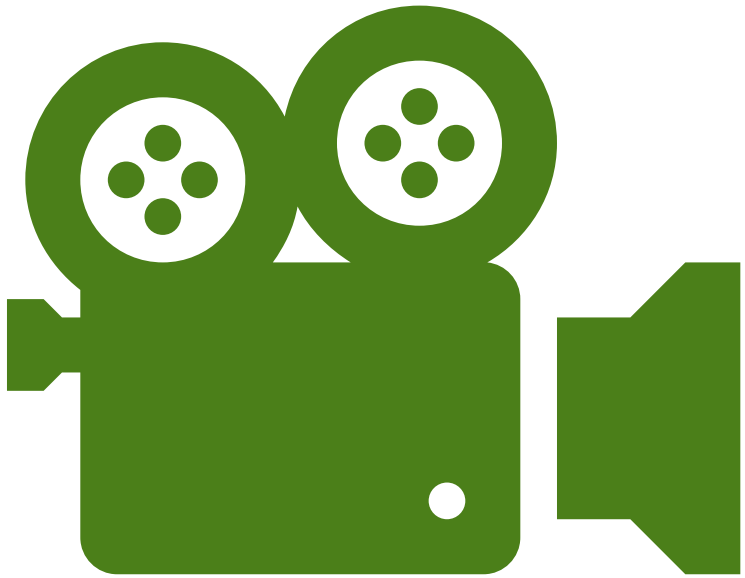

1 per nonpartisan candidate and 2 per party during breakdown.

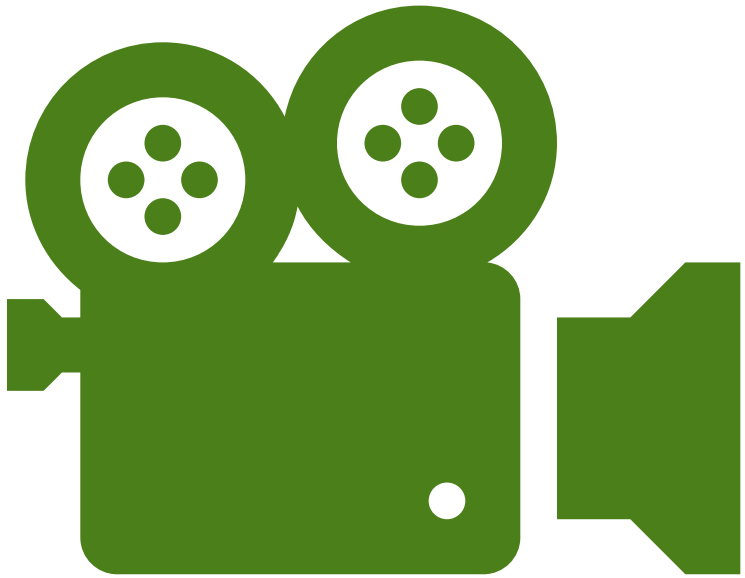

Authorized Representatives

- Must be a registered Virginia voter. Call the office if needed.
- Must have a signed letter from the state or local party or campaign **for you to put in Envelope 8.**
- Cannot interfere with the voting process
- Local party takes precedence over state party

Press

- Should have press credentials
- Allowed to work in the precinct **“for a reasonable and limited period of time while the polls are open”**
- No
  - Interviews
  - Live broadcasting
  - Violating privacy

Press

1. Identify yourself to press when they enter
2. Announce to voters that they will be filming
3. Wait for voters who do not wish to be filmed to finish
4. While filming, have an officer at the entrance informing new voters

Neutral Observers

- Will have a letter and pre-approval from the General Registrar
- Main office will provide them with guidelines
- Must follow the same limits as political observers
- Usually academics and nonprofits
- Collect their letter

Candidates

- Any candidate on the ballot at your polling place
- Up to 10 minutes per polling place
- Must follow the same limits as political observers

Federal Agents

- Not expected.
- May not take anyone before they've cast their vote.
- Must have a signed and dated warrant.
- Call the main office ASAP

Closing & Breakdown

Best Practices

- Assign closing roles early!
- Designate a paperwork area
- Have someone new double-check the Envelopes and Seals
- WAIT TO RECORD check-in numbers until Reg Clerk is done.
- Don’t put the boxes in the Chief’s Bag if you can help it

Stage 1 – Report Results

- Close voting on scanner for results
- Registration clerk reconciles Provisional Ballots.
- Fill out:
  - SOR
  - Provisional Ballot Record Report
  - Results Call-in Sheet
- REPORT RESULTS

Stage 2

- Shut down Ballot Marker
- Ballot Table & Ballot Record Report
  - Requires Summary report from scanner and Close report from Ballot Marker
- Close and pack up Pollbooks
  - Do not start until Registration Clerk is done.
- Complete SORs and Printed Returns Sheet
  - Requires Summary report from scanner and final check-in numbers from Pollbooks

Stage 3 – Everything Else

- Pack up scanner & Ballots
- Certify Mail Ballot Drop Box
- Take down signs
- Pack up voting area

Dropoff

- 2nd person if there are mail ballots
- Extra cars can leave
- No boxes in the Chief’s bag
- First floor of the parking garage
- Don’t block the loop!

After the Election

- Next-Day email
  - Any action items on precinct paperwork
  - Who came to drop-off
- Election Officer Evaluation
  - Email on election day, can be submitted any time

Precinct Training

Place in Envelope 2

1. Start here at the beginning of the day

How many unopened ballot **packs** are inside the emergency ballot bag? _____

How many unopened ballot **packs** are inside Box #6? _____

Assume that each pack of ballots has 100 ballots. Do you have 1400 ballots? **YES** **NO** If you answered no, call the main office (703) 228-3456.

- ☐ With two officers, **open** and **count** the ballots from the emergency ballot bag.
- ☐ **Record** that number in the column on the far right beside the number 1.
- ☐ With 2 officers, continue to **open, count** and **record** new ballot packs as needed.

3. What to do with spoiled, voided and provisional ballots

a **Spoiled ballots** *This is a ballot spoiled by the voter.*

- ☐ Hand the voter a new ballot.
- ☐ Cross off or circle the next number below.

4. What to do at the end of the day

a **Total ballots NOT used**

Count the number of ballots **not used** in the last pack(s) you opened	+
Count the total number of unopened ballot **packs** and multiply by 100 *Include all ballots still in Box #6.*	+
How many total ballots were not used? *Add the two rows above* →	=

b **Total ballots used**

Record the total number of ballots in opened packs from 2 on the reverse side	+
Record number of spoiled ballots from 3a on the reverse side	+
Record number of voided ballots from 3b on the reverse side	+
Record number of provisional ballots from 3c on the reverse side	+
How many total ballots were used? *Add the four rows above* →	=

c **Final review**

Add the total number of ballots from section 4a and 4b →	=
Record the number of ballots printed on the ballot marking device from the close report	-
Subtract the number of ballots printed on ballot marking device from total number of ballots from section 4a and 4b →	=

Does this number equal 1400? YES NO

If you circled no to the question above, check the reason(s) why.

- ☐ There were more or less than 100 ballots in one or more of the packs
- ☐ We don't know why the numbers do not match
- ☐ Additional ballots were delivered on Election Day or reproduced, with permission from the Electoral Board, at the precinct. How many additional ballots were delivered/reproduced? _____
- ☐ Other: Please explain below

This is, at its core, addition and subtraction. Take it line by line, like a tax form. This is part of the Ballot Table closing task sheet.

Provisional Ballot Record Report

- Track provisional ballots, specifically.
- All provisional ballots will be in Chief's bag at the beginning of the day. Assume provisional ballots are in packs of 50.
- Make a tally mark next to the reason code each time a provisional is issued.

- ANYTHING you think may be helpful
- Turn in your notes even if they are blank

Machine Problem Report

- When there is a problem with your machine, report it.
- Even if you have already called or submitted the web form
- Fill in all information you have about a machine.

Your precinct receives 2 packs of regular ballots & 3 packs of 50 provisional ballots in the Emergency Ballot Bag. Your precinct receives 12 packs of ballots in the Cart.

5:31 AM

Two packs of regular ballots are opened. Each contain 100 ballots.

5:47 AM

The Registration Clerk issues 2 SDR provisionals using provisional ballots.

6:11 AM

The Registration Clerk issues 1 Mail Ballot Provisional.

6:26 AM

Your check-ins equal the number of ballots in the scanner

7:00 AM

A voter spoils a ballot and is issued a replacement.

7:22 AM

A ballot is found in the trash can by the voting area.

7:34 AM

A third pack of ballots is opened. It contains 101 ballots.

7:54 AM

Your pollbooks show 1 more person checked in than voted on the scanner

8:00 AM

Two voters bring in their mail ballots to exchange to vote in person.

8:08 AM
